

***RADIATION PROTECTION SECTION
RADIOACTIVE MATERIALS BRANCH***

MEMORANDUM

TO: N.C. Radiation Protection Licensees meeting the requirements of the Increased Security Control Orders

FROM: N.C. Radioactive Materials Branch
Increased Controls Coordinator

DATE: **April 14, 2008**

IN RE: **IC IMPLEMENTATION RECOMMENDATIONS**

It is strongly recommended that, at a minimum, all licensees implementing the new fingerprinting requirements review the following references prior to submitting their "Part 2 – Program Establishment; T and R Official Certified" form.

- Section II, A.2. & B. 2.
- (All) Section III
- Question and Answers:
 - 5
 - 33 (Oath & Affirmation requirements)
 - S-1
 - S-3
 - S-4
 - S-5 (identifying T and R Official)
 - S-11
